2010 Summer Camp Details

Once again **Golden Arrow Day Camp** is planning a worthwhile summer for your child. A fine program, excellent staff, and modern facilities are features of the Golden Arrow program. It is our pleasure to welcome our former campers and to introduce ourselves and our program to those families who are unfamiliar with Golden Arrow Day Camp. We look forward to having your child spend this coming summer with us.

Camp Location – Something New

We now have camp all day at the Prospect Heights Park District. We have full use of their facilities, including the indoor gym, six tennis courts, outdoor shelters, baseball diamonds, soccer fields, and volleyball and basketball courts. Additionally, we have use of their bathroom facilities and the wonderful benefits of air-conditioning when we need it. Our swimming program and lunch are also held at the park district, located one block west of Route 83 on Camp McDonald Road.

Family Owned and Operated

In our 54th year, our family owned and operated camp is most noted for our individual attention and understanding of your children's needs. We focus on the improvement of each child's skills and general happiness. Our programs are designed around your child's interests, and include summertime sports, crafts, nature, and special events.

Our Pool Complex is Something to See!

Our pool complex, built in 1996, features a giant waterslide, zero-depth entry, a children's waterpark area, an Olympic-sized pool, a beautifully landscaped deck, and a children's playground area. The large, state-of-the-art pool is heated and the complex is very well supervised. We also have a new, modern locker room and shower facility.

Our Swimming Program

Individualized attention, different group levels, and progress reports are highlights of our intensive efforts to provide an opportunity for improving each child's swimming skills. We feel we have one of the **finest camp swim programs** in the area. We swim every day (weather permitting), with the exception of our field trip to the zoo.

Lunch Program

We offer an optional hot lunch program catered from one of our local restaurants. On Tuesdays, however, we have our fun and exciting weekly cookout. Our menu and lunch schedule is on the *Parents Information Memo* on the reverse side.
